

THE
RESOLUTION
CENTRE

CORPORATE HOSPITALITY

Styles of Events & Pricing

The Resolution Centre's principal purpose is to provide bespoke meeting facilities and access to leading mediation and arbitration specialists to resolve disputes. However, the Resolution Centre is also a hugely flexible and innovative event space complemented by state of the art technology, high end catering and a simply stunning backdrop, in which to host a plethora of functions.

From Private Dining and Corporate Drink spaces to Specialist Recruitment or Training Suites, this new vibrant venue offers something unique to upgrade the usual corporate hospitality experiences.

Searching for corporate hospitality venues is often challenging for the organiser, especially in

Belfast where new spaces with interesting environments are hard to come by.

The Resolution Centre offers a solution, showcasing a variety of options in which to host many different styles of events in varying formats, maximising your outcomes while creating memorable and distinctive experiences.

The Resolution Centre

The Resolution Centre is a unique environment, custom designed to achieve conciliation and consensus. The facilities and support services the venue has to offer will ensure you have everything needed to make the resolution process as seamless, stress free and as comfortable as possible.

Each of the nine custom-designed, multi-function rooms are suitable for small, medium and large mediations and arbitrations as well as consultations, training, seminars, corporate hospitality events and much more. All rooms have flexible layouts with access to breakout spaces if needed, sound proof walls, as well as reception and technical support services.

Whether you would like to host your event in one of the rooms or spread your event throughout the venue, this facility has endless opportunities for you to offer something different and unique to your business's hospitality experiences.

A Touch of Hospitality

A view with a difference;
a relaxed atmosphere
for hosting corporate
hospitality, and also
very easily branded with
subtle AV messaging.

As the space has a first-class view
overlooking Custom House Square,
this is the perfect opportunity to
host your events on the same dates
as the live entertainment/concerts
are playing at CHS, incorporating
them as part of your event for
the evening, with a special VIP
experience and view to match!

On site catering is also available
varying in style from substantial
bowl food to bar snacks/nibbles.

From £22pp, including catering.
***Does not include event access.**

Private Dining with a Real Difference

Looking for a new event venue to host a private dinner for your top clients? The Bridge Room at The Resolution Centre offers a bespoke dining experience that can be tailored to meet your dinner party needs.

This open-spaced, glass walled venue offers something unique to your private dinner experience. Guests will enjoy their evening with an amazing, panoramic view overlooking Belfast Lough, incorporating many iconic structures of the Belfast landscape.

The décor can be adapted to your specifications, providing all the luxury of a top Belfast restaurant, but with the added value of exclusivity and intimacy in a completely private area.

From £73pp, four course dining experience.

Your Product or Brand

Each of our rooms are bright, spacious, and well equipped with the technology needed to expertly showcase a new product.

With high-speed secure Wi-Fi internet access, HDTV display panels with cable less presentation equipment, this new event space is the ideal venue for a product/service/brand launch.

Demonstrating your new product in such an interesting, private and bespoke environment, could maximise the reach of your product to your interested audience in attendance. The venue is so easily accessed from the centre of town, it's a fantastic place for clients to pass by on their way home.

From £22pp, including catering.

Make an Exhibition

What better way to host and display your exhibition than in a venue space as interesting as The Resolution Centre?

Having an amazing view overlooking Belfast Lough, this exceptional, light and spacious setting is like no other exhibition venue in Belfast and offers you the opportunity to showcase your exhibits outside of your studio to a wider audience, with convenience, flair and high end catering.

From £22pp, including catering.

An Ideal Training Facility

With modern, ergonomic facilities and technology, The Resolution Centre provides a perfect setting for offsite workplace training.

Each room is well equipped with high speed secure Wi-Fi internet access, HDTV display panels with cable less connectivity (suitable for all devices), wireless photocopying, scanning and printing services, presentation equipment and complimentary stationery. All these amenities aid the training specialist to deliver high-standard training to delegates.

Every room has a fully stocked refreshment cabinet, as well as tea and coffee amenities. With onsite catering available, break-times are less time-consuming and hassle free for your delegates. A range of catering options is available from finger food to hot buffet style.

From £38pp, including lunch.
